Musterfirma GmbH
represented by **Their name**
Muster address lane 1
12345 Mustercity
- hereinafter referred to as "Client" -

and

Your company
represented by **Your name**
Your address lane 1
12345 Your city
- hereinafter referred to as "Contractor" -

Client and Contractor are hereinafter jointly referred to as the "Parties" and individually as a "Party".

§ 1 Subject of the Agreement

- (1) The Contractor shall provide consulting and support services in the field of software development and Artificial Intelligence in accordance with § 2 of this Agreement (hereinafter referred to as "Services").
- (2) The responsibility for project management and project success lies with the Client.
- (3) The Services of the Contractor are services within the meaning of §§ 611 ff. of the German Civil Code (BGB). Work performance contracts are not the subject of this Agreement.

§ 2 Services of the Contractor

- (1) Specifically, the Contractor shall provide the following services:
 - a. Development of strategies for the use of Artificial Intelligence for the Client.
 - b. Technical implementation and architectural consulting.

c. Regular performance reviews and system optimization.

- (2) The Contractor is entitled to determine the method and manner of performance at their own discretion, provided this does not conflict with the project goals.

§ 2.1 Additional Terms

- (1) All additional services requested outside of the original scope must be agreed upon in writing by both Parties.
- (2) The Contractor reserves the right to employ qualified subcontractors to fulfill the obligations under this Agreement.

§ 3 Remuneration and Terms of Payment

- (1) The remuneration for the Services is based on the following hourly rates:

Role	Hourly Rate (Net)
Senior AI Consultant	€ 150.00
Software Engineer	€ 120.00

- (2) Invoices will be issued monthly and are payable within 14 days of receipt without deduction.
